Required Application Documents 2017

Applications are due via the [Jotform web portal](#) by **11:59pm EST, 15 December, 2016**.

Please consult the following for the required documents and a preview of the application questions for the **MFU: Miami Residency 2017**. You must complete the application in one session, so please have your documents ready and be prepared to answer the questions listed below on the online form. If you copy/paste your answers from an external word processing program, please pay attention to the word count limits for each question. Anything over the word count limit will be cut off from your response on the form.

Your application will be reviewed by [ArtCenter/South Florida](#) and [BHQFU](#) on the following, in order of importance:

1) Five work samples

- 5MB size limit for each upload. Files must be JPG, MOV, PDF, or MP3 in format. Or, provide links to time-based works/projects online.

2) Your responses to the following questions on the application form:

- *What is your work?* (300 words or fewer)
- *Why Miami?* (300 words or fewer)
- *Respond to the following quote: "Assume that man is fundamentally good, and you abandon satire in favor of education."* (300 words or fewer)
- *Recount the circumstances that led you to learn something new.* (300 words or fewer)

3) Video statement about yourself

- Provide us with a link to a video of you telling us who you are. Your video should be 2 minutes or less in length. Finish this and get it online (YouTube, Vimeo, etc) prior to beginning the application. If your video is password-protected, don't forget to provide the password in the appropriate field.

4) Contact information for two references

- Name, telephone number, email address, relationship

5) Current CV in PDF format
